2019 Medicare Seminar

Friday, October 19, 2018

10 am—12 pm

Please join us to learn about all of the different parts in the Medicare program and how they work and affect you. The principal areas that will be covered are:

- Traditional Medicare Parts A and B, what is covered and what is excluded
- Medicare Part C explanations and discussion of Plans available for 2019 in Lake County, Illinois
- Explanation of how Part D, the prescription drug benefit, works and how to analyze the plans that fit your needs using the Medicare website.
- Explanation of Medicare Supplements that many seniors use to fill some of the gaps of Medicare.

Any senior who has questions about Medicare, any person getting close to Medicare eligibility or family members of a senior on Medicare should attend:

Call Grant Township to Register at: (847) 740-2233

The Medicare seminar is provided free by Mike Dressendorfer who has extensive experience in the Health Insurance industry as well as serving as the Assistant Deputy Director at the Illinois Insurance Department where he developed regulations concerning the marketing of policies to supplement Medicare as well as the restrictions by insurers using pre-existing illness exclusions. Mike will not endorse or recommend any particular insurance program nor recommend any insurance company or agent.
