

2024 BRUSH REMOVAL PROGRAM – Ends Friday, 11/22/24

The Highway Department offers brush pick-up as a service to the residents in unincorporated Grant Township areas. Brush pick-up Guidelines: 1) Brush is defined as branches trimmed from bushes, shrubs and trees by the homeowners. 2) Brush should be stacked with the stump/cut side to the road. 3) Branches should not be more than 6” in diameter and we ask to keep branches as long as possible.

Brush pick up is on Thursdays and Fridays. It is imperative your brush is out by the road on Wednesday evening. The crew has a specific route they follow to get through the entire Township. **Your brush will NOT get picked up if it is not out by the road once the crew pass through.** You may email us at road5467@msn.com or call **(847)546-7623** and give your address of where the brush needs to be picked up and we will add you to the list.

Please note if you hire a service to trim or remove trees or clear a lot, it is their responsibility to remove the brush.

Woodchips from collected brush are available for homeowner use at the Highway Department at 26535 W. Molidor Rd., Ingleside, IL.
