Low Income Household Energy Assistance Program (LIHEAP)

There's still time to apply for a utility assistance grant for your heating bills. Schedule an appointment to complete an application by contacting Jennifer at 847-740-2233.

What you must bring with you for your application;*

- Current photo ID, please no copies
- Social Security Cards for all household members, please no copies
- Income documents for all household members for the last 30 days (paystubs, SSA, VA, unemployment benefit statements)
- Most recent utility bill for heating and/or electric (front and back)
- If zero income, IDHS Notice of Decision (SNAP, TANF & Medicaid) all 8 pages

*You must have all documentation with you. *If you do not have the necessary documents an application will not be started and you will need to return another time.* If you do not have access to a printer, utility bills, DHS and income documents may be emailed to Jennifer before you arrive at:
